CNH Industrial N.V. (NYSE: CNHI / MI: CNHI) shareholders at the Annual General Meeting (“AGM”), held today in Schiphol-Rijk, the Netherlands, approved the Company’s 2017 EU Annual Report (including the Company’s 2017 statutory financial statements) and a dividend of €0.14 per common share, equivalent to a total distribution of approximately €190 million.

Sergio Marchionne and Richard J. Tobin were re-elected as executive directors (the latter until his departure on April 27, 2018). Mina Gerowin, Suzanne Heywood, Léo W. Houle, Peter Kalantzis, John Lanaway, Silke C. Scheiber, Guido Tabellini, Jacqueline A. Tammenoms Bakker and Jacques Theurillat were re-elected as non-executive directors. In addition, Ernst & Young Accountants LLP was reappointed as independent auditor of the Company.

Shareholders also renewed and extended for another period of five years the existing delegations to the Board as authorized body to issue shares, to grant rights and to restrict statutory pre-emptive rights and replaced the existing authorization for the Board to repurchase up to a maximum of 10% of the Company’s issued common shares. The authorization is an instrument available to the Board of Directors, but places no obligation on the Company to repurchase its own shares. Under the authorization, which is valid for a period of 18 months from the date of the AGM, the Board may repurchase the Company’s common shares in compliance with applicable regulations, subject to certain maximum and minimum price thresholds.

Full details of the resolutions approved today and the executive directors' speeches are available on the Company's website (www.cnhindustrial.com).

The dividend will be paid on May 2, 2018.

The record date for the dividend will be April 24, 2018 on both the MTA and the NYSE and the outstanding common shares will be quoted ex-dividend from April 23, 2018.

Shareholders holding the Company's common shares on the record date that are traded on the NYSE will receive the dividend in U.S. dollars at the official USD/EUR exchange rate reported by the European Central Bank on April 19, 2018.

Concurrently with the AGM, the Company published its 2017 Sustainability Report. This Report was prepared in accordance with the GRI Standards, the main international framework for reporting on governance, environmental and social themes, and the AA1000 AccountAbility Principles Standard.
